N.B. for technical details kindly refer to the DOP downloaded from our website [www.pica.it](http://www.pica.it)

\*\* per un migliore effetto cromatico, è indispensabile miscelare prodotti prelevati da più pacchi / to ensure a better color result for the entire project, it's advisable to mix the products from several pallets.

\*\* il colore del materiale scelto a campione dal committente non è vincolante, ma rappresenta la tonalità alla quale il produttore dovrà attenersi il più possibile / the color of the sample is not binding, but it is used as reference only.

\*\* la colorazione e/o tonalità e/o l'aspetto cromatico delle immagini non è vincolante, ma è puramente indicativo dell'effetto estetico del materiale / the color and/or hue and/or chromatic look of images is not binding, but it's purely indicative for the aesthetic effect of the material.
